

I.

There is a reason, why are you feeling down  
Cause life is painfull and you can't left your fears behind  
There always a reason, when you waste all your strenght  
On something you belive in,  
you just don't wanna be alone

Ref.

Everytime you pray for a better life  
You should use your will  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

Everytime you search for a reason why  
You should look at the sky  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

II

Cause there's always a reason, of pain and misadventure  
We keep searching for the answer (wchich would never be described)  
You better belice, that you've got a strenght inside  
And this is a reason, so why do you still wanna fight

Ref.

Everytime you pray for a better life  
You should use your will  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

Everytime you search for a reason why  
You should look at the sky  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

III

Nobody stands alone  
There's always someone who  
Have a faith on you  
It's gonna be alright

Ref.

Everytime you pray for a better life  
You should use your will  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

Everytime you search for a reason why  
You should look at the sky  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright
