

Ref.

I wanna feel this love inside me
I wanna dance with the one that have found me
I had a fear that you've never come to me
That's the way that I'm feeling this love (Yes, it's the way that I'm feeling this love)

I

I am missing you, waiting for a long one hour
I wanna kiss you and feel a desire
I'm begging you, come home and hold me tight
Until I cannot breath, it's the only thing that I need

Ref.

I wanna feel this love inside me
I wanna dance with the one that have found me
I had a fear that you've never come to me
That's the way that I'm feeling this love (Yes, it's the way that I'm feeling this love)

II

Staring out my dirty window
Thinking that you forgot about me
Anoying minutes spending without you baby
My patient is on the edge of madness
Cause that's the way, yes that's the way I'm feeleng this love

Ref.

I wanna feel this love inside me
I wanna dance with the one that have found me
I had a fear that you've never come to me
That's the way that I'm feeling this love (Yes, it's the way that I'm feeling this love)

III

Come home, come home, come home
I'm waiting for you so long
Be strong, be strong, I must me strong
To take this love and never let it go
